Who are we?

学校简介

太原理工大学始建于1902年，是中国最早的三所国立大学之一，坐落于拥有2500年建城史的历史文化名城——山西太原。这里四季分明、气候宜人，交通便捷、生活成本低，是国际学生来华学习与生活的理想之地。

作为国家“211工程”重点建设高校和“双一流”建设高校，太原理工大学学科实力雄厚：工程学进入ESI全球前1‰，化学、材料科学、地球科学和环境生态学稳居ESI全球前1%。学校已形成“以工为主、理工结合、多学科协调发展”的办学格局，涵盖理、工、经、法、教、文、管、艺及交叉学科等9大学科门类。

目前，学校面向全球开设34个本科、硕士及博士层次的中文授课与全英文授课专业，构建了从语言进修、预科教育到本硕博一体化的完整国际学生培养体系。截至今日，已有来自100多个国家和地区的2000余名国际校友从这里走向世界。我校于2018年和2024年两次通过“来华留学生高等教育质量认证”，充分彰显国际化办学水平与教育质量保障能力。

在太原理工大学，我们不仅注重提升学生的全球胜任力与专业素养，更致力于推动汉语能力提升与中国文化浸润。依托山西深厚的历史底蕴，国际学生可在课堂内外深度感知中华文明的博大精深。学校致力于为国际学生提供全方位支持，包括丰厚的奖学金体系、个性化学术导师指导及便捷的校园服务。

加入太原理工大学，追逐学术理想，开启在中国的精彩成长之旅！在这里，读懂中国，连接世界，成就未来！

Taiyuan University of Technology(TYUT), founded in 1902, is one of the first three national universities in China. It is located in Taiyuan, Shanxi, a famous historic and cultural city with a 2,500-year history of city-construction.

As a university under the national "Project 211" and a "Double First-Class" construction university, TYUT has strong academic strength. Its engineering discipline ranks among the top 1‰ globally in ESI, while chemistry, materials science, earth science, and environmental ecology are in the top 1% globally in ESI. She has formed a school-running pattern of "dominated by engineering, combining science and engineering, and coordinated development of multiple disciplines", covering nine major disciplines such as science, engineering, economics, law, education, liberal arts, management, art and interdisciplinary disciplines.

Currently, TYUT offers 34 undergraduate, master's, and doctoral programs taught either in Chinese or English to the world, and has established a complete international student training system from language training and preparatory education to integrated undergraduate, master's, and doctoral programs. As of now, more than 2,000 international alumni from over 100 countries and regions have graduated from here and gone out into the world. TYUT passed the "Quality Certification of Higher Education for International Students in China" twice in 2018 and 2024, fully demonstrating its internationalized school-running level and educational quality assurance ability.

TYUT not only focuses on improving students' global competence and professional qualities but also strives to promote the improvement of Chinese language ability and the immersion of Chinese culture. Relying on the profound historical heritage of Shanxi, international students can deeply experience the profoundness of Chinese civilization both inside and outside the classroom. The university is committed to providing comprehensive support for international students, including a generous scholarship system, personalized academic tutor guidance, and convenient campus services.

Join Taiyuan University of Technology to pursue your academic dreams and start an amazing growth journey in China! Here, understand China, connect with the world, and shape your future!
